

“And I saw the Holy City, new Jerusalem, coming down out of heaven from God, made ready as a bride adorned for her husband.” Revelation 21:2

10/09/08

Between Two Opinions

Everybody has entities living through them which are powers and principalities. If you have Christ Jesus, He is also living there. Other people will recognize Christ in us, not by talking church jargon or quoting scriptures but they will recognize the spirit by discernment. If you are carnally minded, you will think that that is just the way people are. The average person doesn't think along the line of people living with powers and principalities, but, there is a Bible reference that says that like spirits are drawn together. In today's society, there are those who live for material things. It's all about who has the biggest and best of whatever their desire is. Even our young people want name brands and the lust gets more and more intense as the time goes by. On the average, people don't go where there are prostitutes, pimps, or drugs addicts looking for these powers and principalities. People don't normally go into mental hospitals and convalescent homes just to see what powers and principalities are operating. But everyone, no matter what their status is, is operating in powers and principalities. Those who are in Christ, still have Christ in them and at the same time there are powers and principalities operating. Most of us are just living in the main stream driving our cars and living in our homes (not that there is anything wrong with that). And it never occurs to anyone that we are living on a particular level of consciousness, and that there is a particular category of power and/or principality living through us that makes our life, or brings our life to a certain level of consciousness. This consciousness that lives through us is the powers and principalities.

It's not a normal process to think, ***Hmmm. I know that I have powers and principalities living in me.*** This is just not normal thinking. We just go along and let life takes its course and do not think about it.

10/09/08

Between Two Opinions

The Word says, “For our struggles are not with flesh and blood, but with the principalities, with the powers, with the world rulers of this present darkness, with the evil spirits in the heavens”. So how do

you know exactly which powers and principalities are operating in your life, on an individual level? I mean, how can you tell? How did these powers and principalities get there? This certainly is a good question that curious minds would want to know the answer to. Our personalities and our physical bodies are buildings which house the spiritual life that lives through us. They make us who we are, and make our lives what they are.

We live in a society where material possessions and lust and greed run high, so it is very difficult to see these entities that live within each and every one of us. But when someone who is on another level passes by us, if we have any discernment at all, it is easy to see which spirit or which powers and principalities are in operation. These powers and principalities stick out like a sore thumb. This is a hard word to swallow, but it's true. It is very easy to see powers and principalities passing by when they are in another person, whether that person is in-Christ, or out of Christ.

There are different planes that powers and principalities exist on, but people don't sit around thinking about whether they are real or not. Haven't you ever been in the presence of someone and thought, "There is something about that person, but I just don't know what it is." I'm not talking about the spirit that judges someone just because of the color of their skin, or the size or age of a person. I'm talking about something a little deeper. Sometimes parents feel it when their child brings someone home, but they are not sure what it is. Something in that person just stands out like a sore thumb and, immediately, all kinds of red flags go up. My parents felt it, and they were right, but that rebellious part that tells you to ignore them and do what you want, even when you know they are right, appeared. At some level, you might just call it a bad attitude or maybe that person is just having a bad day. Or maybe when it is operating in our own flesh, we say, I just woke up on the wrong side of the bed. But, if that was the case, you just get back in bed and get out on the other side.

So by the same token, there are powers and principalities operating in every person born of a woman. Too often, though, we don't address it when it is operating in our own temple, our own mind, or our own thought pattern. Too often we think that one day it will just go away and never surface again. WRONG!! This is the very thing that Christ wants to deal with. This is the battle that goes on, on the inside. There is a war going on in the mind, and the mind is the battle ground.

What happened to cause this? And why can't we control it? Is there an answer? We pray for a change and it seems like the change is a long time coming. So we might think, "Well, that's just the way I am. People are just going to have to accept me for who I am". Listen, I have good news for you. This is not a hopeless situation. God heard your cry. God heard my cry.

-The Imparted Anointing - Is when you have overcome a sin by the power of Jesus Christ and do not desire it anymore.

-The Imputed Anointing - Is when the anointing is so high on you that you can resist the temptation. But as soon as the anointing is released, you are capable of falling prey to that temptation again.

If you are still thinking about sinning, you have not overcome it. This area in your life has not been sealed up. The only way that this particular sin will disappear in your life is when you are delivered. Deliverance comes from Christ. When a person accepts Jesus, that person is not supposed to be occupied by powers and principalities. The born-again person has Christ being birthed inside of them, so they are supposed to be occupied by Christ.

We are made to have spiritual experiences, but powers and principalities will cause you to live the life of the carnal mind instead of the Spirit-filled life of the mind of Christ. Once we allow these powers to

occupy our mind, we will have an unpleasant life filled with frustrations, chaos and darkness, and we will find ourselves blaming others for our own miseries.

There are many powers and principalities that want to come into your mind and occupy you, just for the experience. Some may find this okay, but once they enter inside your mind, they will not want to leave. You might entertain these powers, thinking that there is no harm; but, believe me, they are habit forming. In the beginning, you won't even understand why you're doing the things that you do. But I've got good news; Christ wants to deliver you from your bad ways. Christ can drive out these powers and principalities when you confess that they are in you. You see, this type of deliverance is beyond casting out demons. The Holy Spirit can cast out demons, but Christ can drive out powers and principalities and seal the door so that they cannot enter in again.

Don't you remember when the question was asked in Revelation, "Who can break the Seal?" and there was no one but the Lamb of GOD who takes away the sins of the world?

#### SINNER SAVED BY GRACE

Any thought that deviates from God is sin. If you think that sin is only in your behavior, you are at a great disadvantage, because sin is the way we think. Inevitably, the behavior will follow the way we think. In some ways, we might restrain our behavior because we are socialized individuals, but we are still sinners because of the way we think.

Now, it is much better to not act out the sin because 'The Word' says that you will reap what you sow but you are still a sinner because the thoughts of your mind deviate from the thoughts of God.

How many people have you told that, "You're a sinner" and they say, "I'm not a sinner because I don't cheat, I don't lie, I don't steal, I treat my family right, I go to church, I'm a good person," etc? I'm sure you've heard many reasons why they believe that they are not sinners. What we hear in the church today is mortal man's version of what a sinner is, but a sinner is someone who has a sin nature that thinks through them. We sin in the thoughts of our mind. This is a spiritually criminal foundation. This thought process sets up the stage for acting out the sin.

The question is, "What went wrong and how did man get to this place"?

Well, I guess we need to go back to the Garden of Eden and see what actually happened there, because this is mankind's first rebellion against the Great Jehovah.

Mankind's first act of independence occurred when he fell to the temptation of acting out on his own. We read the story, but, somehow, we haven't learned any lessons. Some blame the woman, some blame the man, and some blame the serpent, but the blame game has got to stop at some point in each individual's life for all have sinned and fallen short of the glory of God. And so man took a bite and became independent of God. He took a bite to become a god. He made a decision to take a bite without consulting the Great Jehovah.

And, somehow, mankind still thinks that he is able to make his own decisions apart from God. He stands Between Two Opinions:

1. The opinion of Good & Evil, and
  2. The opinion of righteousness.
-

Which will he choose? Which decision would lead to the death that waited beyond the walls of his Utopia?

God told Adam that he was free to eat of any tree from the garden except the Tree of The Knowledge of Good and Evil. "From that tree you shall not eat; for the moment that you eat from it, you will surely die". How many know that God's Word will never return to Him void? His promise to Adam was that he would surely die. You see the Garden of Eden was a Utopia. It was a place where there was love, and joy, and peace. It was a place where all of man's needs were met, that is as long as he stayed in the mind-set of the Great Jehovah. However, man separated his thoughts from the thoughts of God and took a bite of his own thought nature, and fell to his death. He began to think on his own and make his own choices as to how life could be. He wanted to be like God, but when he took a bite of the fruit of the Tree of the Knowledge of Good and Evil, man fell from God's place of righteousness.

God's plan was for man to have a nature of righteousness after God's own heart. We must start to build upon a new foundation, and that foundation is Jesus Christ, our salvation. Our salvation is the building of a new life, of a new personality, of a new man, of a new creature in Christ.

There are two sides of the carnal mind

A. Satan ----- evil - (pride) (rebellion)

B. Leviathan ---- pretending to be good (filthy rags compared to righteousness).

The carnal mind, mankind's thinking ability, separates us from righteousness. On the day that Jesus left His body, the veil, the wall between the conscious part of the carnal mind and the unconscious part of the carnal mind, ripped from top to bottom. The spiritual wall that prevented mankind from looking at his true motives and sins was removed. Now mankind is able to see the root of his problems. He is able to see the truth so that he can be set free – but will he look? That is the question.

Because we want to be righteous, we believe that good works will save us. But going to church, studying the doctrine of Christ and praying for people will not save us. This is far from the truth. We are saved through union with Christ. But, to join with the Spirit we must divorce the carnal mind (our own way of thinking). The Lord Jesus Christ is our bridegroom. One day He will marry us and become our husband but Christ must be growing inside for you to have the victory. When someone dies in the natural world, we grieve and if there is any property or money, either someone related to, or close to the deceased person will inherit their material gain. In the spiritual realm, it is just the opposite. Because Jesus lives, we will inherit eternal life.

All thoughts arise out of the unconscious mind. The conscious part of the mind does not generate thoughts. Thoughts either come from Satan, or from the mind of Christ. Nobody has an original thought.

Righteousness must be understood before you can understand rebellion. The physical body is not being taken off the earth to avoid hard times. We are called to be over comers and we overcome by the power of the blood of Jesus Christ. Jesus' blood has to get inside of our spiritual veins so that we can have power to overcome.

It takes a long time for our mind to be renewed through the conversion of the sin nature into the mind of Christ, and for us to change. This is true of the whole human race. God has been working on me all of my life. And still there are some old ways and old habits that I must address. Perfection is obtainable

through confession and submission. The mind of Christ must overlay the carnal mind and suffocate it. The carnal mind must be destroyed.

Somehow, Christians think that it's their opinion that has to change, but this is far from the truth. Their testimony is, "I used to smoke, or drink and I thought that that was okay, but since I found the Lord I have a made up mind.... I used to think that Jesus wasn't real, but now I know that He is real". This is just a change of opinion. Our whole mind must be changed. You will experience emotional pain when you do what the Lord desires. The carnal mind will fight you to the end. God wants complete control over your life. This is very painful to the personality/carnal mind. There is much emotional pain in serving the Lord. Too often we will find ourselves blaming other people for what Christ is doing on the inside of us. Pride will lie to us, and cause us to fall away. We have to give up our priorities and take on the Lord's priorities.

'The Word' says, "The carnal mind is hostile towards God." We have been robbed of eternal life. This is our heritage and the only way that we will get it back is by killing our own selfish thoughts.

You are the salt of the earth. Do you know what salt does? It preserves. You are here to preserve the righteousness of God to work against sin. You are here to preserve life. If you are not here thinking, living and speaking righteousness, you are living out of your carnal mind. If you are living out of your carnal mind, you are thinking, living, and speaking death in the lives of other people.

If God saved you and cleaned you up, He wants to manifest through you so that you can be a vessel of honor. He wants you to help people, have mercy on other people, and show compassion. Jesus healed ten lepers and only one returned. What happened to the other nine? What are you doing with the good that I have done for you? The most important thing to God is the salvation of this whole planet and the reconciliation of His creation.

God's purpose for mankind is to manifest Himself in our temple (the soul, the personality). He wants to dwell in you so that you can be the church, not go to church.

At this moment, the one who dwells in mankind is a squatter. His name is "Serpent". He is a counterfeiter. He's there to deceive you regarding who you are. He says you belong to the world kingdom. Christ says you belong to the Kingdom of God.

Regarding Samson and Delilah.

No one can bring you down. You can only be brought down by your own weakness. When someone finds your weakness and you yield to that weakness, you will go down. Nothing outside of you can hurt you. Every problem that you have is within you. You cannot go around blaming the world for your problem. Pray that God will show you your weakness. Pray for knowledge, pray for wisdom, pray for strength to be an overcomer.

Jesus came to earth in the form of the Holy Spirit. Jesus is still above, but He has sent a part of Himself into the earth. Jesus has also sent His blood because we need a spiritual blood transfusion. His blood is spiritual blood that runs through our veins to give us His life -- His eternal life. The Holy Spirit brings reconciliation into our life because, through Him, we are able to communicate with God.

The Holy Spirit is the fruit that has been given to us. That fruit is love, joy, peace, longsuffering, gentleness, goodness, faith, meekness, and temperance. If we live in the Spirit, let us also walk in the

Spirit. As we confess our sins and repent, Christ is being formed in us. That formation that we are receiving is righteousness. We are in waiting for the marriage to our groom, Christ Jesus.

The carnal mind is clogging up the mind of Christ in you, telling lies instead of the truth. How do you distinguish the spirit to know if you are hearing from your carnal mind or the mind of Christ within you? This is a growing process. Every day you must confess your sins openly so that you can be delivered. Pride must go!!!!!!!!!!!!!! Submit yourself to God on a daily basis so that you may be delivered. Judge your thoughts (justification), test the spirit to see if it be of you, or of the Lord. Examine your heart with a fine tooth comb. Ask God to cover over your sin nature and expose it, so that the sin nature might be destroyed.

Every problem, every torment, every torture, every pain, every disappointment, and every discomfort is because we are fallen; therefore confess that your nature is sin and repent, that your carnal mind might be translated into a righteous mind in which there is all provision.

Confess that your life is nothing without God, that you want Him, need Him, and submit yourself to Him. Deny yourself and pick up the cross.

The Tree Of The Knowledge of Good and Evil and The Tree Of Life both bear fruit, and the fruit of each of these trees are the thoughts of the mind. You will reap whatever fruit that you digest.

The spirit is interwoven with, and one with, the mind that is being formed. The mind is not being renewed. The spirit is being renewed. The spirit is going to leave off being formed in the carnal mind and in that renewal, the spirit will be formed into the image of the Lord Jesus Christ by becoming the Mind of Christ.

When the carnal mind is darkened, the veil in between the conscious and the unconscious parts will be rent. We are under a judgment of death from Jehovah. His intention is not to wipe us out, but to save the whole spiritual root of the creation, which would restore us to our first estate. God's purpose is to destroy the carnal mind and catch us up to meet the Lord Jesus in our inner being, and marry Him, so that we can enter into life. The church is the bride. The Serpent is trying to marry the bride. There is a war going on over our soul. The carnal mind thinks in darkness. It is not spiritual. The Serpent's objective is to keep the human spirit in total darkness, so that we cannot see the light. Spirituality arises when the carnal mind gets out of the way.

There is no life in the carnal mind. There is no power in the carnal mind. There is only death. A death sentence awaits the carnal mind.

The power of God is resident in the human spirit. That man of sin, the conscious part of the carnal mind, is the veil of the temple. The carnal mind must be rent. The temple is where the human spirit is. The carnal mind must be broken apart so that the human spirit can be set free to join fully with Christ. The tree of the Knowledge of Good and Evil does not have righteousness. It just has good or evil, but we have a memory of righteousness. However, this righteousness is hidden behind the veil.

Again the bottom line is to recognize your sin nature and war against it. The carnal mind can only think rationally and see things in a worldly way. It does not look at things spiritually. It is dead and does not live in the realm of God. It can only think in terms of good and evil. The spirit in us must connect with the spirit in God to see righteousness.

---

Our spirit is sealed off from functioning spiritually, because our spirit is a part of the carnal mind. Your carnal mind will interfere with your understanding of spiritual things. We must wage war against the carnal mind. Roman 7:14-25

14. We know that the law is spiritual; but I am unspiritual, sold as a slave to sin.
15. I do not understand what I do. For what I want to do I do not do, but what I hate I do.
16. And if I do what I do not want to do, I agree that the law is good.
17. As it is, it is no longer I myself who do it, but it is sin living in me.
18. I know that nothing good lives in me, that is, in my sinful nature. For I have the desire to do what is good, but I cannot carry it out.
19. For what I do is not the good I want to do; no, the evil I do not want to do -- this I keep on doing.
20. Now If I do what I do not want to do, it is no longer I who do it, but it is sin living in me that does it.
21. So I find this law at work: When I want to do good, evil is right there with me.
22. For in my inner being I delight in God's law;
23. But I see another law at work in the members of my body, waging war against the law of my mind and making me a prisoner of the law of sin at work within my members.
24. What a wretched man I am! Who will rescue me from this body of death?
25. Thanks be to God -- through Jesus Christ our Lord

So you can see, the carnal mind is the veil that keeps us out of spiritual things and in this world. The carnal mind is programmed to do that.

The carnal mind has to be overlaid. And it will be overlaid with Christ or with the Serpent. Either one or the other will be your husband and rule over your life.

---

The veil must be rent so that the carnal mind is joined with Christ. The veil has to be broken up so that our spirit can join with Christ. This is the marriage. The church will be caught up. Christ will reach down and snatch up the spirit in holy matrimony. This is an amazing revelation!!

Revelation 21:1-8

1. And I saw a new heaven and a new earth: for the first heaven and the first earth were passed away; and there was no longer any sea.
2. I saw the Holy City, the new Jerusalem coming down out of heaven from God, prepared as a bride beautifully dressed for her husband.
3. And I heard a loud voice from the throne saying, "Now the dwelling of God is with men, and He will live with them. They will be His people, and God Himself will be with them and be their God.

4. He will wipe every tear from their eyes. There will be no more death or mourning or crying or pain, for the old order of things has passed away.”
5. He who was seated on the throne said, “I am making everything new!” Then He said, “Write this down, for these words are trustworthy and true.”
6. He said to me: “It is done. I am the Alpha and the Omega, the Beginning and the End. To him who is thirsty I will give to drink without cost from the spring of the water of life.
7. He who overcomes will inherit all this, and I will be his God and he will be My son.
8. But the cowardly, the unbelieving, the vile, the murderers, the sexually immoral, those who practice magic arts, the idolaters and all liars -- their place will be in the fiery lake of burning sulfur. This is the second death.”

10/09/08

Between Two Opinions

The judgment that we are under is breaking our human spirit free and our human spirit is ascending to be caught up to marry our groom, the Lord Jesus Christ. Our mind is being opened to the spirit world.

---

Wherever there is a church that has the Holy Spirit, Christ has not been formed in that church. As Christ is conceived, the church will be living out of Christ. Eventually, in the very near future, the Holy Spirit will be withdrawn, and every believer in whom Christ is formed will either start to live out of Christ or die spiritually. Many will die due to lack of understanding because the message is not in the church. The people will not even know that they are pregnant. Some who are pregnant will not know what to do about it or what to do with it because they have not been taught.

---

Christ being formed in an individual is Christ taking back God’s breath that was stolen by the Serpent. The Serpent could not form this world without energy so the Serpent took energy from Adam to build a world. The Serpent needed God’s breath to build a world and to impart consciousness to that world. Jehovah sent Jesus to take back every drop of that breath and Jesus is starting with the Church. Jehovah primary reason in sending Jesus is to get His son back. The Serpent has taken Adam’s breath and prostituted it by making a corrupt and perverse world with it. This breath is not like a human breath. This breath is powerful. “And the Lord God formed man of the dust of the ground, and breathed into his nostrils the breath of life; and man became a living soul” (Genesis 2:7). This breath is the power of God - the power to be extraordinary.

10/09/08

Between Two Opinions

Whatever exists out there, exist because of God's breath, and Jesus has come to get it all back and He's starting with you and me. When the Holy Spirit enters into you, He has a primary assignment. Remember, that the Holy Spirit is the Spirit of Jesus Christ that is down here in the earth. Jesus' blood is down here in the earth to give spiritual blood to the unregenerate, to the heathen, to the Gentile. God's breath is in His Church and the people who receive Him by faith.

The Holy Spirit's purpose is to conceive Christ in you and once that is accomplished, the Holy Spirit will withdraw. God is in our life for the purpose of retrieving His Son.

Everything else is secondary and tertiary. Certainly, He cares about us and whether we are sick or burdened or in financial hardship, He has given us help to meet our needs. Do you understand that He gave His Son to help to save us from our sin nature? He gave His Son so that Christ can be conceived in each of us and claim us for His own so that we can have eternal life. When we line up with Jesus, we become one with the Godhead. Christ the hope of glory in us!!!!!!!!!!!!!!!!!!!!!! We will now be the Son of God. Who can comprehend this amazing plan? Mere mortal? NO WAY!

---

If your internal energy ascends into this world without being married to Christ Jesus, you will be married to this world which is the Serpent's. One day everyone will ascend out of the top of their head and they will either marry Christ or they will marry the Serpent, the god of this world. Chose this day. Who will you serve? Your service will extend beyond this physical world into the spiritual world. There is only one Savior, one LORD, one Master and His name is Jesus. He is the First and the Last, the Beginning and the End, the Alpha and the Omega, King of Kings and Lord of Lords.

10/09/08

Between Two Opinions

There is no other name that men might be saved. His name is Jesus. Chose this day, who will you serve?

---

The baptism of the Holy Spirit is in the River of Life that is flowing through you...

---

The spiritual root of all men will be saved but all (personalities) souls will not be saved.

PEACE I LEAVE WITH YOU

A new heaven, a new earth.

10/09/08

#### Between Two Opinions

There is a whole church world out there that still sins in their minds, because the gifts and calling of God is in their mind without repentance. The church is not manifesting the imparted Christ, which is necessary to achieve full salvation, spirit, body and soul.

We have a whole five-fold ministry that is preaching the word of God, praying for the sick, casting out demons. Miracles are coming forth from their ministries, but they are still natural men. They are doing this by an imputed or loaned authority of God. The hour is coming for the Son of God to appear. He is appearing in His people and when He comes, He is going to swallow up the delegated authority.

The spiritual realm of the imputed anointing is in the process of being put underfoot by the imparted emerging Son of God.

We are rebellious towards God. If you don't believe it, let God put the fire on you and tell you to do something that you do not want to do. (Insert) Not only do we have a rebellious spirit but we also have pride. Before the fall comes pride. This is the natural characteristics of the carnal mind (humankind). This is the main reason for trials and tribulations. How can you repent if you do not know what is inside of you?

When you have entered into this earth realm being birthed as a baby, you have died. This is the valley of the shadow of death. Those who are incarnated at the express will of the Father died when we entered into this realm. We are in the process, if God called us and sprouted the seed, of being resurrected and returned unto spiritual life.

10/19/08

#### Between Two Opinions

I Corinthians 15:34 - Awake unto righteousness and stop sinning for some have not the knowledge of God. Ephesians 5:15 "for everything that becomes visible is light. Therefore, it says: 'Awake, O sleeper, and arise from the dead, and Christ will give you light.'"

The church at Ephesus is being imparted with the power to rise up in the spiritual realm, out of the state of solidity where one can be sluggish, without the mind functioning. If you have died in Christ, your life now exists in the Father in the realm of the spirit and His will has taken on the flesh and died. You are

dead in Christ. You have entered into the realm of death, and you have given up your life in the realm of the spirit to enter into the realm of death for the purpose of God.

Now Christ that is in the earth is no longer in the single man, Jesus of Nazareth, but He is in the many-member body which He calls Christ. So even though we are in this realm of death and in these bodies, we are in the process of being raised up to the same spiritual life that Jesus Christ of Nazareth was granted, and we are part of His becoming the first fruit of them that slept. It is not just Jesus Christ of Nazareth, the man. It is Jesus Christ of Nazareth plus all of the children that God gave Him which we are. We are coming forth in a many-member body known as Christ. We shall be the first fruit of them that slept.

10/19/08

Between Two Opinions

Resurrection of the dead or resurrected out from among the dead ones

Those that slept are the living souls that died. When Adam went to sleep, he reproduced himself. The whole natural world is Adam, the fallen Adamic soul. They are Adam and they have slept because GOD put them to sleep. Christ is risen from the dead and become the first fruits of them that slept. Everyone in Adam will rise again from the dead according to the Scripture. God is raising the living souls from the dead. I Corinthians 15:21, "For since by man came death, by man came also the resurrection of the dead according to the Scripture. God is raising the living souls from the dead. This is the whole human race.

We are living inside this animal body which is death. It is a life of death, of spiritual death and God has promised to resurrect us unto spiritual life out from among the dead ones.

Now when God comes to you and says, "I know you from before the foundations of the earth, my seed is in you, my Son is in you, come forth. He calls you into the Church, and you enter into Christ from the beginning stages. Now this is a process. You are not fully in Christ until your natural life has been completely moved into Him, although we speak it as though it has already been done. When God calls us forth into the body of Christ, we begin the process of being made ALIVE!!!!

I Corinthians 15:22-23 "For just as in Adam all died, so too in Christ shall all be brought to life, but each one in proper order: Christ the first fruits; then, at His coming, those who belong to Christ; then comes

the end, when He hands over the kingdom to His God and Father, when He has destroyed every sovereignty and every authority and power.”

10/19/09

Between Two Opinions

The Greek word tagma - “order” means something put into order, to be put into an arrangement, and in the Greek root that means, “to assign or to dispose to a certain position. Or to place in one’s proper order (only in I Corinthians 15:23). The Apostle is talking about an individual’s spiritual condition. In each of us, when we receive Christ, there is a manifestation of Adam and a manifestation of Christ.

It is suggested that every man is in his own order, first Christ the first fruit will be resurrected, within your vessel, the Christ in you. We are Christ, we are Adam, we are in pieces. And sometimes we are demons, we are in pieces. The first part of you that is resurrected is the Christ that comes forth in you. He is going to be raised up in spiritual power. Afterward, they that are Christ at His coming.

Who is Christ at His coming?

After Christ emerges forth, first our human spirit is fertilized, Christ comes forth. Then what does he do? He marries the human spirit. That is the joining of Christ to the soul. He is marrying the human spirit, and the balance of the living soul is thereby reconciled because the human spirit cannot be separated from the living soul. So first Christ is raised from the dead, and then those who are Christ’s at His coming. The fallen soul realm is going to be joined to Christ and raised from the dead. “Then comes the end”.

10/19/08

Between Two Opinions

What is the end?

The end is Christ. After the emerging, Christ joins Himself to the soul realm. It is the end and the only thing that is left in us Christ. Satan is swallowed up. That is the end. There is only Christ. “When He shall have delivered up the Kingdom of God.”

Christ has married the human spirit and there is nothing else for Him to rule because the whole creation has become Christ. “When He hands over the Kingdom to His God and Father, when He has destroyed every sovereignty and every authority and power. For He must reign until He has put all His enemies under His feet.”

The rule or ruler is the spirit that rules over all of natural man. We are many, but there is one spirit ruling over us.

There is a whole church world out there that is sinning in their mind, because the gifts and calling of God are without repentance (Page 14).

To communicate with God, we must be on God's level. The spirit controls the mind, the mind controls the body, and the body is enslaved to the mind. To communicate with God, I must have my mind swallowed up by Christ. Christ must rule over my mind. My mind must be swallowed up in the victory of Christ (I Corinthians 16:54). Death is swallowed up in victory!! The natural man (carnal mind) will be conquered.

When I was a child of seven or eight, I did not die but my present age swallowed up those younger years.

Between Two Opinions

---

The soul dies, the body decays and the body goes back to the dust. Oh death, where is thy sting, oh grave, where is thy victory. The powers and principalities of the living soul that has died, the powers and principalities that rule the world will be swallowed up into victory by the resurrected Jesus Christ.

---

As long as the living soul that died, gets us to sin by the hidden powers and principalities which rule our mind who impulse thoughts into our mind, we will continue to die.

It is the spiritual law of God and the judgments that is attached to it that causes sinners to die. The strength of sin is God's righteous law which pronounces us guilty, thereby giving sin the legal right to slay us.

Thanks be to GOD who has made a way for us to escape these sinful thoughts. He has given us the victory through our Lord and Savior, Jesus Christ.

Rapture has nothing to do with our being caught up. Christ must appear in us and swallow up our immature spiritual realm.

Do not hinder the Spirit, let Christ come forth in your inner being; therefore, your labor will not be in vain.

We can do greater works by reproducing the life of Christ in every one of our souls.

Between Two Opinions

---

Enoch walked and talked with God until he was no more. God converted his body and then took him into the heavenly realm. I want to be like Enoch.

---

Sin is an inability to be righteous. Sin is a failure to do the righteous thing and without Christ, we cannot do the right thing. Is impossible!!!! By Jesus death, Christ now dwells in our soul. He is our ability to stop sinning. He gave up His spiritual life to be nailed on the living soul for the life of the ages.

---

MANKIND IS STILL BEING CREATED

Righteousness is missing from man's equation. Righteousness can only come from God. God's Son was crucified so that mankind can receive righteousness.

---

THE DIFFERENCE BETWEEN CORRECTION AND CONDEMNATION

Correction will rebuke you when an error has been made, and forget about it. You hear the Word and you forget about it, and it goes into your mind, and by the power of the spirit of Jesus Christ, hopefully in your mind, the true word will cast out the error. However, if there is a demon there, the demon has to be cast out. Correction will convict you of the truth and the error will be replaced by the truth. You must hear the correction, be rebuked, forget about it, and leave it to God to work in the mind.

10/20/08

Between Two Opinions

Condemnation says, I will never let you forget this; I will remind you of it five times a day, and for the rest of your life. You are no good; you are rotten because you did this one thing, forever and forever. This is condemnation.

Godly rebuke is not condemnation and truth is never condemnation. The truth will set you free. That's the word of Jesus; the truth will set you free. The truth is painful, but you have to hear it. If we endure the chastening, it shall yield the peaceable fruit of righteousness.

---

Paul was stoned - Acts 14:19 - Then some Jews came from Antioch and Iconium and won the crowd over. They stoned Paul and dragged him outside the city, thinking he was dead. But after the disciples had gathered around him, he got up and went back into the city. The next day he and Barnabas left for Derbe.

---

Adam/Eve fell under the influence of the Serpent.

---

Genesis 3:15 - Unto the woman He said, I will greatly multiply thy sorrow (6093) and thy conception; in sorrow (6089) thou shalt bring forth children; and thy desire shall be to thy husband, and he shall rule over thee.

God sold the living soul that died to the Serpent, the one that Adam chose to obey. Eve fornicated with the Serpent, and God said, "Alright, now they are yours. I will take them back, but only after a season." This is the provision that GOD has made to restore the human race. It is called, "Redemption." It is the process by which GOD is saving us, body, soul, and spirit. The Lord is redeeming (purchasing back) our spirit, saving our soul and renewing our spiritual body, which is our mind.

Between Two Opinions

---

When Jesus' physical body was crucified on the cross, in the natural, the body of Jesus was nailed to the stake, but in the Spirit it was the reverse. Jesus' body was nailed to the stake, but the living soul that died was nailed to the purified soul of Jesus (Galatians 2:20 - "I am crucified with Christ; nevertheless I live; yet not I, but Christ liveth in me: and the life which I now live in the flesh I live by the faith of the Son of God, who loved me, and gave Himself for me.")

The natural is the mirror image of the spiritual. Jesus was nailed to a cross, so that we could understand what was happening. His body was nailed to a wooden stake.

Christ who is King, and Satan, the unconscious part of the carnal mind, who was king, were permanently joined through spiritual crucifixion, and out of the two, one spiritual man emerged (Ephesians 2:14,15 - "For He Himself is our peace, (1515) who made both groups into one, and broke down (3089) the barrier of the dividing wall, Having abolished in His flesh the enmity, even the law of commandments contained in ordinances; for to make in Himself of twain one new man, so making peace;) even Christ Jesus, the creation of God (Revelation 3:14 - And unto the angel of the church of the Laodiceans write; These things saith the Amen, the faithful and true witness, the beginning of the creation of God; .

### Between Two Opinions

Now, Jesus is ruling Satan, but Satan is still there. He is still impulsing thoughts, and he is still tempting Him. Satan still had the power to speak to Jesus, but he was totally bound. When Jesus hung on the cross, His physical body died. It was nailed to the wood. But His soul was nailed to the carnal mind that He inherited from Mary. The holy soul of Christ was nailed to the fallen soul, whose king was Satan the unconscious part of the carnal mind that Jesus inherited from Mary. James says that the double-souled man is unstable in all his ways. If you have Christ and you have fallen adam, you have two souls, and that is why we go back and forth between sinful and righteous thoughts. One day we sin, the next day we do not. Well, this is what happened to Jesus spiritually, His body was nailed to a wood stake, but His soul was nailed to the spiritual wooden stake of the living soul that died.

Jesus' Fallen soul was crucified to Christ, the Son of God.

Alternate Translation: "But when the time was right, God sent forth His Son, also under the law, but who through the Spirit of Holiness overcame the curse of spiritual weakness, and after being restored to spiritual power Himself, purchased the living soul that died from Satan, the unconscious part of the carnal mind, and the price He paid was His own purified soul life which He joined to them."

---

We are being made whole by Christ who we invite into our life. Christ overlays every area of our fallen soul. Before Christ, we are only half of a man. When Christ comes into our life, HE adds Himself to us and makes us whole. Before Christ, there is something missing. We have many problems; we need to be fixed. Without God, we are nothing. We can do all things through Christ who strengthens us. We have to change but we are incapable of changing ourselves. We need help, we need a Savior, we need the LORD. His way of fixing us is through His Son. There is no other way. Jesus said, "I am the WAY, the TRUTH and the LIFE. No one come to the Father, except through me."

10/23/08

Between Two Opinions

---

When God created the living soul that died, He made it with the full intention of adding His Son to it.

We have to change. If there is still sin, it has to go and there is no way that we are capable of doing our own transformation. Christ will change our heart, our soul, and our personality as we confess and repent. Once that happens, Christ will overlay our soul. He reaches out with Spiritual power and delivers us. Christ vibrates forth, He surrounds our sin nature, He identifies it, He brings that thought, that high imagination into submission of the power of GOD and He brings it into captivity. Christ brings it under the authority of His Lordship. Christ now has dominion over it. The Serpent can still impulse that sin through you but God comes down and crushes that sin under the authority of Christ. The only reason that that sin is not manifesting is because it is under the authority of JESUS. We are not in control of our own sin nature and until we can get that in our heads, we will be forever lost. Jesus is the Way!!!!

---

We cannot ignore sin. It has to be dealt with. The power of God has to bind it and destroy it.

---

10/25/08

Between Two Opinions

Just as you were once a slave to sin, you must make yourself a slave to righteousness. Righteousness can only come from God.

**\*\*Ascension\*\***

Out of your belly shall flow rivers of living waters. Your belly is your reproductive system. Spiritually speaking your reproductive system is your mind, your soul, your personality, your heart. People of G must ascend to a higher realm of understanding. The answer is not to solve the problem down here but to ascend to a higher position where your understanding is in the mind of Christ and not in the carnal mind. There is much victory when you can watch people in your surrounding ranting and raging while you are in a calm, peaceful, and controlled place. The victory is when you can ascend out of the hell in your mind where the Serpent is causing chaos.

\*\*\*\*\*

Don't stay in the vicious circle going around and around like a gerbil fighting the same fight with different people. You have to ascend up above the problem; break the curse that is holding you down

and making you think that it is other people with the problem. Get the victory over your own thoughts by understanding that God is only using other people to get you to look within!!!!!!!!!!!!!! Find out what the root cause is by praying and asking God to show you why you can't get over the situation.

---

Vicious circle - A situation in which the solution of one problem gives rise to another, but the solution of this brings back the first, etc. 2. An argument that is not valid because the conclusion rests on a premise which itself depends on the conclusion.

#### Between Two Opinions

When a person is 'Between Two Opinions', they are double-minded. They have the mind of Christ being formed in them and they also have the mind that they were born with. When you are 'Between Two Opinions' you need to be able to discern your own sin nature before you begin to discern others. If you are not able to discern the difference between light and dark in your own mind, you will not be able to discern it in other people. If you are deceived in yourself, you will be deceived when you are judging others which you shouldn't be doing unless it is the spirit of righteousness in you that is doing the judging. In order to have an accurate evaluation of people and their place in your life, you must examine yourself first. That is the only way that you can get an accurate indication of other people and their purpose in your life. We have to start ruling over ourselves and not just do whatever we feel like doing. This is called growing up in Christ.

---
