# DEFINITIONS

There is no male or female in Christ Jesus (Gal. 3:28). Accordingly, all textual references to Male and female point to spiritual principles principles, and the words man and men, as well as the pronouns, he, his and him, include, woman, women, she and her.

Christ Jesus is the only spiritual male. Accordingly, all powers and principalities other than Christ Jesus are identified as female in relation to him.

The powers and principalities which have incarnated this falled world (2 Cor. 4:4) are male in relation to fallen mankind, and female in relation to Christ Jesus.

## John 7:17-18

<sup>17</sup> If any man will do his will, he shall know of the doctrine, whether it be of God, or whether I speak of myself.

<sup>18</sup> He that speaketh of himself seeketh his own glory: but he that seeketh his glory that sent him, the same is true, and no unrighteousness is in him. KJV

The New Testament is a translation, of a translation, of a translation. It was written in Aramaic, then translated into Latin, then translated into Greek, and finally translated into English.

The Interlinear Bible (Biblesoft and International Bible Translators, Inc.) shows both the *Textus Receptus* and *Nestle* based numbers for the Greek words because these two sources occasionally disagree as to which Greek word should be used.

*The Alternate Translation* gives precedence to the Hebraism (Hebrew usage) if there is one, but always chooses the translation that flows with the spiritual understanding of the whole verse.

The *Textus Receptus* says that the English word *no*, is a translation of Strong's #3370, but *Nestle* says that it is a translation of Strong's #3371. *The Alternate Translation* chooses to translate Strong's #3370, *in the middle*.

<sup>14</sup> Study Of The Spiritual Principle Of *Dissolution*.

## The Spiritual Principle Of Dissolution

### Introduction

The fiery serpent is the spiritual worm (Mk. 9:44, 46, 48)\* which will eventually be fully born, either in the image of the Primordial Serpent, or in the image of Jesus Christ [the Seraphim\*]. The fiery serpent in the individual is one of the many seeds of Primordial Adam that the Serpent stole, covered with earth and formed in her own image. The fiery serpent, the spiritual worm that Jesus talks about, is the part of mortal man that survives, in a disembodied state, the death of the personality and the physical body.

\* See comments on spiritual worms and Seraphim, Rev., Chapter 12, Parts 4 & 5:  
[www.livingepistles.org/OLM/chat072298Pt4-Rev12.htm](http://www.livingepistles.org/OLM/chat072298Pt4-Rev12.htm)  
[www.livingepistles.org/OLM/chat072298Pt5-Rev12.htm](http://www.livingepistles.org/OLM/chat072298Pt5-Rev12.htm)

The fiery serpent descends deeper and deeper into physical matter until she reaches the root energy center, where she coils up and goes to sleep. When roused, she begins her ascent into the heart (4<sup>th</sup>) center, dividing herself over and over again like a developing human embryo, to form, or create, her *children*, the powers and principalities (Eph. 6:12, Col. 2:15) that occupy the energy centers. The Hindus call these powers and principalities, *gods and goddesses*.

There is no such thing as *unbirth* in our world, but for the purpose of understanding *the Spiritual Principle of Dissolution*, we can say that,  
(continued...)

---

<sup>14</sup>(...continued)

as the fiery serpent descends back into the root energy center, she *dissolves*, or *swallows up*, or gathers back into her womb, the powers and principalities that she herself created, or birthed -- and they cease to exist. This is *the Spiritual Principle of Dissolution*.

The fiery serpent migrates periodically between the root and heart (4<sup>th</sup>) energy centers, until she makes the heart (4<sup>th</sup>) center her permanent home. (See, Note # 15.)

The fiery serpent's ascension into the heart (4th) energy center is the beginning of the resurrection of damnation (Jn. 5:29), the false immortality of this divided age.

### The Problem

#### How Are The Powers And Principalities Dissolved?

Mark 2:3 talks about the *dissolution of the powers and principalities who occupy* the heart (4<sup>th</sup>) center. The fiery serpent, and the powers and principalities that she creates, dissolves, and reforms by her own will, are all one, albeit one divided, spiritual entity, the fiery serpent. The fiery serpent in the root energy center, and the powers and principalities in the higher energy centers of the counterfeit timeline are, collectively, the fiery serpent in a divided, or expanded, state, and the name of the fiery serpent in her expanded state is *Satan's Troops*. So how are Satan's Troops condensed?

### The Solution

#### Christ Jesus Dissolves The Powers and Principalities Into Himself

(continued...)

---

<sup>14</sup>(...continued)

The Scripture says that ***THE GOD OF THIS WORLD hath blinded the minds of them which believe not, lest the light of the glorious gospel of Christ, who is the image of God, should shine unto them.***

The creator is the god of his creation, but this Scripture could not be true of Christ Jesus. So who, then, has incarnated this present world? The Primordial Serpent is responsible for the formation of this inferior, mortal world. Jehovah never intended for humanity to die from generation to generation.

The powers and principalities that occupy the energy centers are an ***illegal expansion*** of the fiery serpent, who is both the woof threads (foundation in the root center), and the warp threads (powers and principalities in the higher centers), of this inferior world.

Christ Jesus in the individual shall dissolve and absorb the powers and principalities who occupy the energy centers of the counterfeit timeline (see Note # 6 & 14, The Problem) into His own Glorious timeline (See, Note # 10), as He ascends into the heart (4<sup>th</sup>) energy center where He meets and marries the glorified Jesus Christ, which union establishes Him in the crown (7<sup>th</sup>) energy center of the individual.

Christ Jesus and the glorified Jesus Christ shall occupy the regenerated energy centers (Matt. 19:28) of the righteous timeline, Satan's Troops shall be swallowed up, or condensed, and the fiery serpent shall, once again, be the bestial background, warp threads of the regenerated creature, the aspect of the creation that God created her to be. Christ Jesus, alone, shall be visible.

---

<sup>14</sup>(...continued)

### Conclusion

The personality is spiritually active in witchcraft when the powers and principalities are ascended into Satan's Troops and occupying the heart (4<sup>th</sup>) center, and they are spiritually active by the Spirit of Christ, when the powers and principalities are dissolved into Christ Jesus. The first condition (the manifestation of Satan's Troops) is death, the second (the dissolution of Satan's Troops) is life.

**NOTE:** Message #5, Satan swallowed up, manifested this spiritual principle in seed form. To anyone who may be wondering whether or not the early messages are still valid, the answer is a certain **yes**, and very much so. Some may be able to walk right into this deep teaching, but most will need to read the early messages. If anyone is struggling with this book right now, they should consider reading message No. 5, Satan Swallowed Up. I exhort you all to beware of pride, and to keep spiritual growth and the wisdom of Christ, rather than knowledge, as your primary goal.

<sup>15</sup> Satan, the Ascended Fiery Serpent. The fiery serpent is at the height of her embodied spiritual potential when she possesses the heart (4<sup>th</sup>) center (see, Note ## 9 & 8 ¶2., Concl.), which is also (continued...)

4(KJV) And when they could not come nigh unto him for the press, they uncovered the roof where he was: and when they had broken it up, they let down the bed wherein the sick of the palsy lay.

called the *ariel center*, because she ascends from there into the crown (7<sup>th</sup>) center, to feed on the Serpent's cosmic energy.

Satan's Troops represent the combined energies of Leviathan and the fiery serpent. The energy of the individual can adequately sustain the *sleeping* fiery serpent, but she needs Leviathan's reservoir of energy to live in the heart center, where she engages in continuous, illegal spiritual activities. (See, Note # 17).

Dan. 9.24 Jehovah has decreed that the whole Wild Animal shall depart from this perverse age, and enter into the age of eternal righteousness through union with Righteous Adam, her true husband, *who will stop the Woman's adultery* by engraving [the fiery serpent, who is] the false prophet, with Elohim's nature.

(See, also, Note # 15.)

<sup>18</sup> *To Break Up, Translated, Confession Of Sin & Repentance.*

Strong's # 1846 - to *Break Up*, Can Be Translated to *Dig Through*.

Ezek 8:8 Then said he unto me, Son of man, *dig now in the wall*: and when I had digged in the wall, behold a door.

9 And he said unto me, Go in, and behold the wicked abominations that they do here.

10 So I went in and saw; and behold every form of creeping things, and abominable beasts, and all the idols of the house of Israel, pourtrayed upon the wall round about. (KJV)

The personality is the *wall* that surrounds the mind, which is the *house* that the spirit lives in. Jehovah said to Ezekiel, don't look at the

<sup>18</sup>(...continued)

outward appearance, but look within. Dig through your personality and look at the sins of your mind, and you will see why you lack the strength to form a spirit tie with me. Unconfessed sin is the only thing that can separate us from God.

The phrase *dig through the wall* is also found in Ezekiel, Chapter 12, a pretty distressing chapter according to *The King James Version*. But the spiritual understanding of Ezekiel, Chapter 12, is that all of the destruction is directed towards Leviathan, so that Christ Jesus can appear in, and ascend to the heart (4<sup>th</sup>) energy center within the individual.

Unconfessed sin prevents those who have the *seed* of God (see, Note # 3), from forming a spirit tie with Jesus. (See, also, Note ## 4,? ¶4 & 22.)

Zeph. 3.01 Woe to the Wild Animal which is unclean because of her rebellious mind.

3.02 She didn't obey Jehovah's voice, or benefit from His instruction, because her carnal mind was not overthrown, and her carnal mind was not overthrown, because her [carnal mind] was not sacrificed to Jehovah, and her carnal mind was not sacrificed to Jehovah, *because she would not confess her sins and repent.*

<sup>19</sup> *Bed, Translated, Root Energy Center.* The collapsed fiery serpent sleeps in a single spiritual bed in the root energy center. The significance of this is that she, who is supposed to be married to Christ Jesus, is unmarried, and sleeping alone.

5 (KJV) When Jesus saw their faith, he said unto the sick of the palsy, Son, thy sins be forgiven thee.

5 **When Jesus saw<sup>20</sup> Christ (faith)<sup>21</sup> in [in a man of Israel, Jesus] would say [to them], the Son [of God] forgives your sins,<sup>22</sup> [and Satan's Troops within that man] would be dissolved**

---

<sup>20</sup> Jesus Sees Christ In The Men Of Israel. The men who understood Jesus, confessed their sins and repented (see, Note # 18, 20 ¶4 & 22), and agreed with Christ Jesus within themselves to cast down the fortified fiery serpent who was ascended into their heart (4<sup>th</sup>) center. Christ Jesus appears (Rev. 20:2-3) in the individual when the fiery serpent is forced down under Himself. (See, also, Note # 5, ¶5.) The Sanskrit (Hindu) name for the fiery serpent is *Kundalini*.

The personality that is in agreement with Christ Jesus must prevail over his carnal mind, [**BUT CHRIST JESUS APPEARS ONLY AFTER THE SINS OF THE UNCONSCIOUS PART OF THE CARNAL MIND ARE EXPOSED, CONFESSED AND CAST DOWN**].

Confession of behavioral sin, alone, will not lead to true repentance, because failure to confess the secret (unconscious) sins of our carnal mind, is the same as being in agreement with Satan (Matt. 12:30), which makes it impossible for Christ Jesus to pierce through the spiritual veil that defends the fiery serpent against the delivering penetration of Christ Jesus. (See, also, Note # 5, ¶5.)

<sup>21</sup> Christ Is The Faith Of The Son Of God. Christ is our faith. He is the same Mind that was in Jesus Christ, which Mind can now be reproduced in the personality. The personality has *hope*, that the same mind that was in Christ Jesus (Phil. 2:5) will be formed in herself (Col. 1:27).

<sup>22</sup> Forgiveness Of Sin. Jesus saw that Christ was formed in the men of Israel, and knew that when they confessed the secret (continued...)

(see, Note # 14, Intro. ¶¶2-3, Concl. ¶3).

---

<sup>22</sup>(...continued)  
sins of their carnal mind, they would (1) overcome Leviathan, and (2) that Christ Jesus (see, Note # 5), the *double portion* which can move mountains (the ascended fiery serpent joined to Christ Jesus), would appear. (See, also, Note # 4 ¶3, 20 ¶4, & Note # 14, The Solution, ¶¶4 & 5.)

Sin that is resisted and not acted out receives *fewer stripes* (Lk. 12:48), but failure to *act out* the sinful thought, does not forgive the sin.

The only true forgiveness of sin is the dissolution into Christ Jesus of the principality that *suggests* the sinful idea. From this point of view, it makes no difference whether the sin is acted out, or not. We will continue to get sick and die, until every aspect of our sin nature is swallowed up into Christ Jesus.
