DEFINITIONS

There is no male or female in Christ Jesus (Gal. 3:28). Accordingly, all textual references to Male and female point to spiritual principles and the words man and men, as well as the pronouns, he, his and him, include, woman, women, she and her.

Christ Jesus is the only spiritual male. Accordingly, all powers and principalities other than Christ Jesus are identified as female in relation to him.

The powers and principalities which have incarnated this fallen world (2 Cor. 4:4) are male in relation to fallen mankind, and female in relation to Christ Jesus.

John 7:17-18

¹⁷ If any man will do his will, he shall know of the doctrine, whether it be of God, or whether I speak of myself.

¹⁸ He that speaketh of himself seeketh his own glory: but he that seeketh his glory that sent him, the same is true, and no unrighteousness is in him. KJV

Rev 3:18

**I counsel thee to buy of me gold tried in the fire, that thou mayest be rich;
and white raiment, that thou mayest be clothed, and that the shame of thy nakedness
do not appear; and anoint thine eyes with eyesalve, that thou mayest see. (KJV)**

Comments On "Matrix"

Part 3

<LivingEM> Praise the Lord. Things have been very tough in the Spirit. I am glad to see that you are all here and I am hoping that you are all well. I went to the health food store this morning and the clerk fully manifested at me, to the degree that she slammed the drawer of the cash register. She was in a rage. Can anyone explain what this means spiritually?

<LAMB> The fiery serpent is ascending?

<Overcomer> We are doing enough damage to Satan that she is manifesting in the masses through anyone she can.

<LivingEM> The man in the street would not know what you're talking about, Lamb. Yes, Overcomer, this is the truth, although it is a very difficult truth for most people to understand, that Satan can manifest her rage at us through total strangers.

Remember, there are no accidents. Of course, the woman who manifested was loaded with witchcraft and pride, and, yes, I did say something that offended her, but what I said was the truth. Her reaction was entirely inappropriate, and way beyond the bounds of any clerk toward a customer. But, these circumstances are just the doorway through which Satan enters the visible world. The "doorway," is any mind which will receive Satan's thoughts and agree to speak and act them out. Our carnal mind is the doorway, or the gate, where thoughts knock and gain entrance to our life.

Gen. 19:1, And there came two angels to Sodom at even; and Lot sat in the gate of Sodom: and Lot seeing them rose

up to meet them; and he bowed himself with his face toward the ground; (KJV)

<LivingEM> Can anyone tell us what the phrase, "He bowed himself with his face toward the ground" means?

<Overcomer> He bowed his personality down low, and let Christ arise in his personality.

<LivingEM> Yes, this is true. The Hebrew word translated "face," can be translated "personality." There is a prefix before the Hebrew word translated "ground." it is the Hebrew letter, "aleph," which means "ox." The Hebrew word translated "ground" is Strong's 776, which means "earth," not "ground." Can anyone tell us the difference between "earth" and "ground"?

<LAMB> The ground has been watered?

<LivingEM> Which is that, LAMB? The dried out, dehydrated earth signifies the barren Primordial Serpent. The hydrated earth which is dissolved in the Primordial waters, is the fertile Primordial Serpent, and the ground signifies the earth that is hydrated, or watered to the point of clay, which is called "the fiery serpent."

So we see in Genesis 19:1, that Lot sat in the gate. Can anyone tell us the spiritual significance of the word "to sit"? The spiritual significance of the Hebrew word translated "to sit," is "marriage." Lot was married to the gate. And who is the gate?

<Overcomer> The mind, Christ.

Rev 4:1, After this I looked, and, behold, a door was opened in heaven: and the first voice which I heard was as it were of a trumpet talking with me; which said, Come up hither, and I

will shew thee things which must be hereafter. (KJV)

Jn 10:7, Then said Jesus unto them again, Verily, verily, I say unto you, I am the door of the sheep. (KJV)

Who is the gate?

<JSNGSNG> Christ Jesus? y

<LivingEM> Yes, and in the old Testament?

<JSNGSNG> Spirit of Elijah

<LivingEM> When Jesus said, "I am the door," he was still in his flesh. Who spoke through Jesus?

<LAMB> Elijah

<Overcomer> Adam?

<LivingEM> Yes, Adam is the name of the door in the Old Testament. But, of course, there are two doors. What is Adam/Christ Jesus the door to?

<Overcomer> Righteous timeline

<LivingEM> Yes, the righteous timeline. So who is the other door?

<LAMB> Leviathan

<Overcomer> Leviathan

<LivingEM> Yes, Leviathan is the door to what?

<Overcomer> The Serpent's timeline

<LivingEM> Yes, Leviathan in the door to the Primordial Serpent's timeline.

So we see that, according to the context of Genesis 19:1, Lot was sitting at the gate that the two angels entered in through.. Actually, I am not sure that it was "two" angels. Remember, Revelation 12:7 teaches that there are both evil and righteous angels. Based on the spiritual principles, and principles of translation that the Lord has given us, how else might we translate the word "two"? "Two Angels" or???

<LAMB> Witness?

<LivingEM> How about "the second Angel"? Who are the first and the second angels?

<JSNGSNG> Christ Jesus and Lord Jesus Christ

<LivingEM> Cain, the first, and Abel, the second born, can be called angels, because angels are ambassadors. Cain is the ambassador of the Primordial Serpent in this physical, visible world, and Abel is Jehovah's ambassador, or high priest, or mediator.

So we can say that the second angel that the Primordial Serpent generated, the revived Abel, entered into Lot's consciousness, or we can say that two angels, the revived Abel and the regenerated Adam entered into Lot's consciousness. But the two are one. The revived Abel is swallowed up into the regenerated Adam. I would have to translate the whole chapter to make an educated determination as to the correct translation.

So we see that Lot was married to the gate/door, and that the

regenerated Adam entered into Lot's consciousness. But the Scripture says that the two angels came to Sodom. Can anyone tell us what Sodom represents?

Rev 11:8, And their dead bodies shall lie in the street of the great city, which spiritually is called Sodom and Egypt, where also our Lord was crucified. (KJV)

<LivingEM> Can anyone tell us what "Sodom" means?

<LAMB> Babylon?

<LivingEM> What kind of behavior is derived from the name "Sodom"? Can anyone tell us what a Sodomite is?

<LAMB> Homosexuality

<LivingEM> Yes, Sodom signifies homosexuality.

<Myprecous1> pervert

<LivingEM> Spiritually speaking, who are the Sodomites?

<LAMB> Whoever sleeps with Leviathan

<LivingEM> Yes, and who sleeps with Leviathan? Who lusts after Leviathan?

<LAMB> Our fiery serpent

<LivingEM> Yes, Leviathan and the fiery serpent are the spiritual Sodomites. Can anyone tell us why? Can anyone tell us why Leviathan and the fiery serpent are Sodomites?

<LAMB> They are both female?

<LivingEM> Yes, both Leviathan and the fiery serpent are spiritually female. Can anyone tell us who, spiritually speaking, Egypt represents?

<LAMB> The world

<LivingEM> Egypt signifies the flesh. Who is the spiritual flesh? Who is the spiritual female animal?

<LAMB> Ox

<LivingEM> And what is the name of the ox?

<LAMB> Behemoth

<LivingEM> Cain is the name of our spiritual flesh. Cain is the many-membered spiritual, female animal which represents the personalities of humanity.

"Behemoth" is a transliteration of the Hebrew word which means "cattle." Can anyone tell us what a "transliteration" is?

<LAMB> A literal translation.

<LivingEM> Can anyone tell us the difference between a "transliteration" and a "translation."? A "translation" converts the idea of a word in one language, into the word of another language which expresses the same idea.

A "transliteration" carries the word, as well as the idea, into another language. The most common example of a transliteration is the English word "baptize." "Baptize" is a transliteration of the Greek

word "baptizo," which means, to "immerse in water." Both the Greek "baptizo" and the English "baptize" mean "to immerse in water." The English word " baptize" is a transliteration of the Greek word "baptizo."

So we see in Revelation 11:8, that the two witnesses lie dead in the street, or in the square, or in the open place, of Sodom, that spiritually powerful city which is formed from the union of Leviathan and the fiery serpent, because Egypt, represented by Cain, the animal nature of mortal humanity has killed Christ Jesus in Israel and in the Church.

So we see that Genesis 19:1 is saying that Lot is a fallen man, Yet, the regenerated Adam entered into Leviathan's great city within the personality, Lot. Can anyone tell us on what legal ground the regenerated Adam entered into Lot at the time that he was dominated by Satan and Leviathan.

<LAMB> Confession and repentance of sin.

<LivingEM> This is true, LAMB, but more specifically, Genesis 19:1 tells us that Lot was married to the gate, the regenerated Adam, who entered into his consciousness.

The Hebrew word translated "at even" means "the night," and signifies Leviathan.

Alternate Translation, Gen. 19:1, And the second-born angel entered into the city founded upon Leviathan's homosexual union with the fiery serpent, because the personality, Lot, turned away from Satan and Leviathan (the earth) and married Adam, the regenerated gate to the righteous timeline [or, Adam entered into Lot's consciousness through a spiritual sexual relationship with Lot], and Leviathan and the fiery serpent, the city founded on homosexuality, saw Lot ascend because of his [intimate] contact with Adam..

<LivingEM> Does anybody remember the events that led up to Adam's visitation?

Gen 18:32, And he said, Oh let not the Lord be angry, and I will speak yet but this once: Peradventure ten shall be found there. And he said, I will not destroy it for ten's sake. (KJV)

<LivingEM> The angels came to Sodom seeking ten righteous men, and Lot qualified to be tested for righteousness. Can anyone tell us what the test for righteousness is?

<JSNGSNG> Exposure of sin?

Lk 9:5, And whosoever will not receive you, when ye go out of that city, shake off the very dust from your feet for a testimony against them. (KJV)

<LivingEM> Only a righteous man will receive another righteous man. Only Christ will recognize and receive Christ. And what makes us a righteous man?

<LAMB> The ability to judge between the thoughts of Satan and Christ.

<LivingEM> And what is that ability? Or, rather, who is that ability?

<LAMB> righteous judgment Christ Jesus.

<LivingEM> Yes, Christ Jesus is our righteousness. When the mind of Christ Jesus controls our life, we are righteous by faith, even though we are not yet perfect. Can anyone tell us what makes us righteous in reality?

<LAMB> Confession and repentance of sin continually.

<DANIEL42> Imparted anointing

<LivingEM> Yes, both answers are correct.

<JSNGSNG> When we choose the mind of Christ over the carnal mind,

<LivingEM> The imparted anointing is a spiritual condition where our negative principles are bound PERMANENTLY under Christ Jesus' authority. And who are the negative principles of our being?

<DANIEL42> Serpent's household

<Overcomer> Cain

<LivingEM> Yes, this is true. And what are the names of the Primordial Serpent household?

<DANIEL42> Leviathan, fiery serpent?

<DANIEL42> Satan

<JSNGSNG> Leviathan and Fiery Serpent?

<LivingEM> Cain is one. Yes, Leviathan and the fiery serpent and Satan.

<LAMB> Cain,

<LivingEM> Cain, Satan, Leviathan. So we see from this short study that only those who are married to the gate/door of the righteous timeline can hope to close the door to Leviathan's unrighteous timeline.

We are using the movie "matrix" to demonstrate these spiritual principles. Morpheus instructs Neo, the hero called to deliver humanity from the Matrix, in these principles with a computer program that shows masses of people hurrying along a city street, like you might expect to find in a cosmopolitan "rush hour." The people in the crowd are business people pursuing their busy lifestyle, but suddenly someone who does not fit the mold appears in the crowd. Can anyone tell us who caught "Neo's eye." Who, or what distracted Neo?

<JSNGSNG> A beautiful blond.

<LivingEM> Yes, Neo, our hero, the savior of the matrix, was distracted by a blond bombshell in a sexy dress. Her image took Neo's mind off of his instruction, and Morpheus pointed out this

vulnerability to Neo by saying, "turn around and look again." Does anybody remember what happened when Neo turned around to look at the blond bombshell a second time?

<Overcomer> An agent with a gun.

<LivingEM> Yes, the sexy woman had turned into an "agent," the term used to describe the secret police of the Matrix. The transformation from a blonde bombshell into an agent, is easy to discern in the movie, because the transformation was blatantly visible.

The sexy blond bombshell turned into a male in a dark suit wearing dark glasses who was pointing a gun at Neo's face. So, Morpheus, teaches Neo that all of the inhabitants of the Matrix are a system. This means that they all have a common root, and because all of the people of the system/Matrix have a common root, the agents of the Matrix can enter into any one of them, overshadow them and take possession of their mind and physical body.

The Hollywoodization of this spiritual principal makes the point very well. Every human being is a potential vessel to be used by Satan to kill our spiritual life, or at the very least, to hinder it. Satan can rise up in any human being in the system known as "humanity," except for those who are married to the door of the righteous timeline. Can anyone tell us how Satan can rise into the conscious mind of any of the members of humanity and use them for her own purposes? What is the door that she enters through?

<LAMB> Through the collective mind of Leviathan in humanity.

<LivingEM> That is close. Satan is the collective unconscious mind of mortal humanity. Satan is the author of each and

every thought that rises into the conscious mind of each and every member of humanity. How can this be, protests the unenlightened man. The answer is that Satan is both good and evil. Satan is the root of the tree of the knowledge of good and evil. Can anyone tell us what part of the Tree the personality is?

<LAMB> The leaves.

<JSNGSNG> Leaves

<LivingEM> Yes, the leaves. The leaves of a tree are generated by the energy of the root. Jesus said that He had much to tell the Pharisees, but that they could not bear it at that time. The leaves of the spiritual tree, the personalities, are the offspring of Satan, the root of the Tree. Therefore, Satan has access to every human being born of a woman.

Most people find this hard to believe because they do not understand Satan's devices. Yes, I know that the King James Translation says that we know all about Satan's devices, but I suggest to you that Paul was speaking about the apostles and not about the disciples, and certainly not about the members of humanity who are not even disciples of Christ Jesus.

Several times in the movie, the Matrix, we see an agent arising up from the inside of an unsuspecting human being. In one instance it was a pilot, in another instance it was a homeless person sleeping in the basement of a building. Can anybody tell us the result to the personality of an agent rising up to manifest through that person? How did this affect the personality?

In both of the instances that I just mentioned, the personality died. In the Matrix, the personality dies because the agent overshadows them to enter into a warfare with the freedom fighters.

The freedom fighters had to shoot at the physical body of the personality, because the agent who was trying to kill them was overshadowing the mind of that body. When the personality died, the agent would merely arise from within another personality.

Brethren, this movie, the Matrix, is an excellent visual expression of how Satan and Leviathan incarnate in mortal humanity from generation to generation. Satan and Leviathan signify Jehovah's spiritual seminal fluid which has been temporarily apprehended by the Primordial Serpent. Can anyone tell us which part of Jehovah's spiritual seminal fluid is manifesting as Satan? Which part of Jehovah's spiritual seminal fluid is manifesting as Leviathan?

<LAMB> The waters

<LivingEM> What about the waters? Who is the waters?

<LAMB> Satan

<LivingEM> Yes, Satan is the polluted waters of Jehovah's seminal fluid. Can anyone tell us what the pollutant is? What, or who, is polluting the waters?

<LAMB> Earth

<LivingEM> Yes, the earth, which is the Primordial Serpent, is polluting the waters of Jehovah's spiritual seminal fluid. Leviathan is the collective name for the sperm of Jehovah's spiritual seminal fluid, which fell under the Primordial Serpent's control and became evil. Can anyone tell us the name of the individual spiritual sperm?

<LAMB> Fiery serpent

<LivingEM> Yes, the fiery serpent. So we see that Satan and Leviathan are inhabiting the Primordial ox which Adam formed for Jehovah to inhabit, but that they are killing her from generation to generation, rather than imparting eternal life to her. Can anyone tell us why Satan and Leviathan kill Adam's ox when they inhabit her?

<LAMB> They use up her energy.

<LivingEM> What is the present day manifestation of Adam ox?

<LAMB> Human beings.

<Overcomer> We are

<Myprecous1> We are

<Overcomer> The sons whose personality Adam has.

<LivingEM> This is true. Satan and Leviathan feed off of the energy that Adam imparted to his spiritual ox when he formed her.

<LivingEM> It is true that Satan and Leviathan feed off of the energy of mortal men, and because of this mortal men become sick and die. Why doesn't Adam's spiritual ox die when Jehovah occupies her?

<LAMB> He's a continuous supply of strength.

<Overcomer> Jehovah gives, rather than takes, the energy

<LivingEM> Yes, and Jehovah is manifesting Himself to us through the Lord Jesus Christ today.

<LivingEM> Christ Jesus is an inexhaustible source of energy. He, therefore, gives life to the personalities of humanity, rather than consumes our life. And this is the basis for the concept of salvation, that all of our spiritual needs should be met through the life of the Lord Jesus Christ. Those who marry Christ Jesus shall live forever in a world which is not energy drained, but flourishing because of an abundance of energy provided by the sun of righteousness, who shines eternally in the heavens above the visible spiritual world. Can anyone tell us where the visible spiritual world is?

<Overcomer> Third energy center. No, 4th heart center

<JSNGSNG> 4th energy center

<LivingEM> The visible spiritual world is in the heart center. That is the fourth center.

<Myprecous1> The fourth center

<LivingEM> What appears to be the visible world to us is merely a spiritual computer-generated image projected from the right side of the heart center, which is under Satan's sea. Spiritually speaking, our world is under water. So we see that we must be ever vigilant to watch for manifestations of Satan arising in the human beings that we share our lives with.

Matt. 10:34, Think not that I am come to send peace on earth: I came not to send peace, but a sword.

35 For I am come to set a man at variance against his father, and the daughter against her mother, and the daughter in law against her mother in law.

36 And a man's foes shall be they of his own

household. (KJV)

<LivingEM> This principle, as set forth in the Matrix, is true, but it is much more difficult to recognize in this world. Can anyone tell us why it is much more difficult to recognize Satan manifesting in our world, than it is to recognize an agent manifesting in the Matrix?

<JSNGSNG> Satan comes as an angel of light

<LivingEM> Because in the Matrix the agents have the ability to reform the physical body of the people they arise in. This spiritual principle is demonstrated in the movie when the head agent manipulates the skin of Neo's mouth. Can anybody tell us what the head agent did to Neo's mouth?

<LAMB> Made him his mouthpiece.

<LivingEM> The head agent removed Neo's mouth. The flesh of Neo's body was as wet clay to the head agent. He could do anything that he wanted with it by merely thinking the change. You may recall that the head agent wanted to minimize the noise that Neo might make when they bugged him, so he manipulated the flesh/clay of Neo's face to remove his mouth.

Is this so far from Jesus causing a withered arm to grow out, or forming an eye where there was no eye? The only difference that I can see is that the motive for one act was evil, and the motive for the other act was righteous. So we see that in the Matrix, the physical flesh of the personality disappears under the image of the agent which is overshadowing him.

I have been preaching about this spiritual principal for years, saying that the personality covers, or stands in front of, the spiritual

man, Christ Jesus. I have experienced Christ Jesus completely overshadowing me and manifesting through my physical body, but He did not remold my flesh. So we see that the agent in the Matrix changes the external visage of the personality when he lays hold of her members, but that Christ Jesus does not.

In the Matrix, the agents have their own image, but in Christ Jesus we, the personalities of humanity, are the image of the Lord Jesus Christ and Christ Jesus. The personalities of humanity have a much more difficult time recognizing their enemy than the freedom fighters of the Matrix, because our enemy does not have a visage of its own like the Matrix agents, but uses the visage of our closest friends and family members to discourage us and turn us away from the lifestyle that delivers us from the prison of this physical world.

We are not likely to experience anyone, a total stranger, or our friends or relatives, pointing a gun at our face, although this might very well happen to the personalities who have open doors in their life for this kind of manifestation.

In other words, at least at this time, we should not expect any unnatural behavior from our friends and relatives. Satan will work through their own personality characteristics. If your friend is given toward anger, he may manifest Satan's anger toward you. If your friend is given toward envy or other forms of negativity, he may discourage you, or criticize you, when you were struggling to obey Christ Jesus. He might try to put fear on you, to stop you from keeping your commitments to Christ Jesus.

Our goal is to be influenced by no one except Christ Jesus, but this does not mean that we cannot be influenced by other personalities. Christ Jesus speaks to us through a multitude of counselors, as well as directly to us, in the Spirit. We must listen for His voice everywhere. Christ Jesus has spoken to me through

authority figures, through relatives, through believers, through nonbelievers, and through behavioral sinners. Can anyone tell us what a behavioral sinner is?

<Overcomer> Someone who is presently acting out the sin

<LivingEM> Yes, this is true. We are all sinners in our spirit and in our mind. We are all adulterers, but we are not all physically committing adultery. We are all fornicators, but we are not all physically fornicating.

Every time our discouragement or criticism turns someone away from what Christ Jesus told them to do, we are a thief, but everyone is not discouraging and critical. Neither does everyone give counsel out of their own heart and try to influence other people for their own personal gratification.

So if the reaping and sowing judgment places our present condition in this world in an abusive family situation, it is possible that our mate might point a gun at us someday. I hope and pray that this would never happen to someone in Christ, but I would not be honest if I were to say that this were not possible. Hopefully, anyone who comes to Christ with such a negative potential in life, would submit to Godly counsel to remove them from such a dangerous situation, break the curses, and pursue Christ Jesus' lifestyle, which cleanses us from sin.

There are no accidents. Every dysfunctional relationship has two sides to it -- the abuser and the victim. If you are the victim in an abusive relationship, you need spiritual ministry as well as the abuser. Abuser and victim are two sides of the same coin, whether it is obvious or not.

Arise saith the Lord, and depart from this ungodly

lifestyle.

<LivingEM> Whoever that was for, the Lord does not necessarily mean a physical departure, but a refusal to act out the role that Satan has orchestrated for you. I call it "refusing to play the game." If the abuser provokes you to rage, or any other ungodly behavior, refuse the provocation by waging warfare against your own response rather than the attack of the abuser. Fight with your own negative principles rather than the one who is provoking you, and to the abuser, be forgiving, and kind. Of course, I am not speaking about someone who is physically beating you or holding a gun in-your-face. I am talking about verbal and emotional abuse.

But before you can change your Satan/pride-oriented response, your eyes must open to the spiritual reality of your condition. You must look beyond the words, and deal with the motives generating the words in Christ Jesus. We must remain ever aware that more often than not our spiritual enemies do not even know that they are being used to turn us away from Christ Jesus. That frequently they do not understand us or our lifestyle, and that very often they are afraid of us, or rather, the one who is in us.

Our primary goal to every provocation must be a Godly response out of Christ Jesus, because when we respond out of Christ Jesus, no sin is imputed to us. When we respond out of pride or witchcraft, sin is imputed to us, even though we have been provoked.

In the film the Matrix, the agents "bug" Neo by placing a creature inside of him. As far as I am concerned, this was the most "Hollywoodized" aspect of the film. Satan does not need to put anything into us from the outside. Humanity is already filled with other life forms. We know that there is a fiery serpent inside of us, and some of us also know that the fiery serpent increases into flying insects when she ascends into the third energy center.

I have taught you that those insects are moths. At this time I must wait to hear more about the location of the moths from the Lord, because the Lord has told me that the fiery serpent becomes spiritual flies. The fiery serpent, which is the worm that Jesus talks about, changes into flies, just like maggots become flies in this world. This is why the Pharisees said that Jesus cast out demons by Beelzebub, the Lord of the flies.

Matt. 10:25, It is enough for the disciple that he be as his master, and the servant as his lord. If they have called the master of the house Beelzebub, how much more shall they call them of his household? (KJV)

Matt. 12:24, But when the Pharisees heard it, they said, This fellow doth not cast out devils, but by Beelzebub the prince of the devils. (KJV)

<LivingEM> The Pharisees were saying that Jesus acquired His power to cast out demons because the fiery serpent was ascended into His third energy center, where she converts into the spiritual flies that ascend into the seventh energy center, where they become the swine. The Pharisees had a great deal of spiritual knowledge.

Well, this message is the Matrix - Part 3, so I don't want to ramble on. Are there any questions or comments?

<Overcomer> Maybe the flies turn to moths as they ascend higher and to yet again vampire bats when they ascend higher yet

<LivingEM> I don't think so because the Pharisees didn't say that Jesus cast out demons by the moths. I will tell you as soon as I hear from the Lord about this issue.

I break curses of abuse and victimization in the Name of Jesus.

I heal the blind eyes, and strengthen the weak knees, in the Name of Jesus. I open deaf ears in the Name of Jesus, and heal the cripple.

May we all, and everyone who reads this transcript, receive our spiritual sight. May our spiritual ears be opened, may we rise out of our spiritual wheelchairs, may our withered arms grow out, may the spiritual widow marry Christ Jesus, and may the spiritual orphan be adopted by the glorified Jesus Christ, our father, and the indwelling Christ Jesus, our spiritual mother. May our weak knees be strengthened forever more.

For those of you who do not know it, the knee signifies the Christ mind.

May Christ who is weak because the personalities who are carrying him are not feeding him, receive adequate amounts of the Doctrine of Christ. May He grow up into a tall, strong tree, and save the personality who is bearing Him.

God bless you all.

Good night.
