DEFINITIONS

There is no male or female in Christ Jesus (Gal. 3:28). Accordingly, all textual references to Male and female point to spiritual principles and the words man and men, as well as the pronouns, he, his and him, include, woman, women, she and her.

Christ Jesus is the only spiritual male. Accordingly, all powers and principalities other than Christ Jesus are identified as female in relation to him.

The powers and principalities which have incarnated this fallen world (2 Cor. 4:4) are male in relation to fallen mankind, and female in relation to Christ Jesus.

John 7:17-18

¹⁷ If any man will do his will, he shall know of the doctrine, whether it be of God, or whether I speak of myself.

¹⁸ He that speaketh of himself seeketh his own glory: but he that seeketh his glory that sent him, the same is true, and no unrighteousness is in him. KJV

Rev 3:18

**I counsel thee to buy of me gold tried in the fire, that thou mayest be rich;
and white raiment, that thou mayest be clothed, and that the shame of thy nakedness
do not appear; and anoint thine eyes with eyesalve, that thou mayest see. (KJV)**

COMMENTS ON "MATRIX"

Part 2

<LivingEM> We will start with prayer. Father, in the Name of Jesus, we ask you to bless this meeting. We pray for your Spirit to rest upon us, and your anointing to rule over all powers and principalities We cancel Satan's plans to hinder this meeting, or diminish it in any way. We pray that you should be glorified. Amen.

So we see our hero, Neo, in his true state. He is secured in one of the higher energy centers, tied to it with black cables that are connected to his body in strategic locations. Can anyone tell us what part of Neo's body the cables are connected to?

<Overcomer> The spine, the energy centers?

<LivingEM> Yes, there are several cables connected to his spine, one to his heart center, one over each of his two pectorals, and one cable in his mouth, which appears to penetrate through his throat into his belly.

Now, this is very interesting, because during our studies of Samson and Delilah, we found a Scripture that indicates that Leviathan was in the belly of the mortal men of Judah. At the time, I could not understand why Leviathan was in the belly, because previous studies had indicated that Leviathan was in the fifth energy center. I prayed about it, and the Lord told me that Leviathan had descended into the belly of the mortal man of Judah. I understood that Leviathan had descended into the belly for ungodly purposes, but it is now much more clear to me that Leviathan descends into the belly

to drink of the energy in that location. Remember that Leviathan is a sea serpent -- she moves through water.

The fiery serpent feeds off of the energy of the individual that she lives in, and generates Satan, the spiritual urine, her waste product. As the waters [the spiritual urine] rise, they eventually ascend to the individual's seventh energy center, which is the doorway to the collective subconscious mind where Leviathan is. Leviathan then enters into the ascended waters in the individual, and swims downward, penetrating into the lower centers of the individual.

I now understand that, at this point, Leviathan, the collective subconscious mind, is feasting on the energy of the individual, as well as the fiery serpent. As a matter-of-fact, I was surprised to find Leviathan in the fifth energy center in other Scriptures, because I thought that she should be in the sixth energy center. But I now realize that Leviathan appears in a variety of energy centers, from Scripture to Scripture, because she enters into the individual through the seventh energy center when Satan's waters are high enough, and then descends into the lower centers. So we find Leviathan in a variety of energy centers, depending on the degree that the individual is engaging in sinful activity of the mind.

Our hero, Neo, is imprisoned in either the sixth or the seventh energy center of a superior being. Neo, the mortal man, is not in his own sixth energy center. He is in the sixth energy center of the earth. The earth has a consciousness of its own. Folklore knows her as "Mother Earth," but the earth as a whole is a real entity, and mortal humanity is her source of energy.

Does this sound so strange to you? It's just another way of saying what I have been preaching all along: That the Primordial Serpent captured the sperm of Jehovah's spiritual seminal fluid, and reformed them in her own image. The energy of Jehovah's spiritual

seminal fluid is the Primordial Serpent's only resource to generate a conscious world.

The Matrix, the Hollywood fantasy that presents this spiritual principle in science-fiction terms, portrays Neo inside of a power plant, with water flowing everywhere. This picture is not so far from what the inside of the human body looks like, with blood flowing everywhere. And is not Satan the spiritual blood of the etheric body?

So, our hero, Neo, sees the reality of his condition, and despite his horror, has the presence of mind to pull the tube out of his throat and belly. This physical act is a natural example of our spiritual warfare to drive Leviathan from our own energy centers. But our warfare is spiritual, of the mind, not physical, and there is no way that we will ever drive Leviathan out of our etheric body, and force the fiery serpent back down to the second energy center where we can control her, if we cannot comprehend our true spiritual condition.

Neo was completely overcome until he saw the truth of his condition, but when he saw the truth, he took the necessary action to free himself. Neo exercised all of his physical strength to pull the tube out of his throat and belly, and, as soon as he did, the tubes connected to his spinal column popped off. Neo was liberated from the high energy center of "Mother Earth" where he was imprisoned, and the flowing waters carried him into a channel that flowed into the sea. This "channel" was the spinal column of Mother Earth, and the sea that it emptied into was her second energy center. Doesn't this sound familiar to you? Can anyone guess what Scripture I am looking for?

Mark 5:13, And forthwith Jesus gave them leave. And the unclean spirits went out, and entered into the swine: and the herd ran violently down a steep place into the sea, (they were about two thousand;) and were choked in the sea. KJV

<LivingEM> So we see Neo thrashing about in the waters of the sea, about to drown, when he is rescued by the freedom fighters.

You may recall from our study on the Gadarene demoniac that the number "2,000" signifies "the swine," the name the fiery serpent takes when she consumes so much of the individual's energy that Satan, the moral impurity in the second energy center (# 2), which is the fiery serpent's urine, expands all the way up the crown (7th) energy center (# 1,000).

So we see that the swine fell down from the seventh energy center and that Satan is the moral impurity of the second energy center, ascended into the crown energy center.

This is the definition of "the swine." Satan, the moral impurity in the second energy center ascended into the crown energy center. This situation could not take place unless the fiery serpent in the first energy center is roused from her sleep and ascended into the third energy center, where her form changes. Can anyone tell us what form the fiery serpent changes into in the third energy center?

<JSNGSNG> Insects.

<LivingEM> What kind of insects?

<JSNGSNG> Ants and moths.

<LivingEM> Yes, flying insects, which have the capability of ascending into the higher energy centers to feed on the energy of those centers. And the more energy that the fiery serpent ingests, the more of her waste product is generated. Can anyone tell us the name of the the fiery serpent's waste product?

<JSNGSNG> Urine.

<LAMB> Urine.

<LivingEM> Yes, Satan is the spiritual urine. So, the fiery serpent is aroused from her sleep in the first energy center, ascends into the second energy center, which can be likened to the amniotic sac filled with amniotic fluid, passes into the third energy center where she becomes a swarm of flying insects which fly into the higher energy centers to feed, which in turn produce more urine. And, in this manner, Satan, the spiritual urine of the second energy center, rises higher and higher, until she is flowing freely into the seventh energy center, where she flows together with the aspect of Satan's sea which exists beyond the individual.

Remember, Satan is the expression of the Primordial Serpent in our generation. She is the cosmic sea which is both inside and outside of mortal man. Technically, the aspect of the ascended Satan in the individual is a spiritual river, and the cosmic, or collective, aspect of Satan which flows beyond the individual mortal man, is this sea.

The Scripture also speaks about "pools" of water. This word refers to Satan in the second energy center where the fiery serpent is strengthened by feeding on Satan's waters, which is the energy of the individual that she exists in. The Hebrew word translated "pool" signifies stagnant water.

So we see that the ascending fiery serpent expands her own amniotic sac, and that once she pierces into Satan's waters in the second energy center, Satan, the fiery serpent's amniotic fluid, rises as the fiery serpent rises. What Scripture does this remind you of?

Gen. 7:17, And the flood was forty days upon the earth;

and the waters increased, and bare up the ark, and it was lift up above the earth.

18, And the waters prevailed, and were increased greatly upon the earth; and the ark went upon the face of the waters.

19, And the waters prevailed exceedingly upon the earth; and all the high hills, that were under the whole heaven, were covered.(KJV)

<LivingEM> Can anyone tell us what the high hills under the whole heaven are?

<LAMB> Higher energy centers.

<LivingEM> Yes, the fourth and the fifth energy centers. Can anyone tell us what the sixth and seventh energy centers are called?

<LAMB> Brow and Crown.

<Overcomer> Heaven.

<LivingEM> Yes, this is their name, but if the fourth and the fifth energy center are hills, what are the sixth and seventh energy centers?

<LAMB> Mountains.

<JSNGSNG> Mountains.

<Overcomer> Moutains.

<LivingEM> Heaven is correct, but "mountains" is the answer that I was looking for. The Lord told me several years ago that

Satan's waters are the flood waters, but I could not understand until now how this would actually manifest. Some geologists say that the flood was global, and others say that it was localized. I do not dispute that there was a physical flood, but I believe that the flood of the Scripture is spiritual, and that this flood is happening again.

Elohim did not tell Noah and his sons that **there would never be another flood**. He told them **that humanity would not be destroyed by a flood again**. Satan's flood waters are rising in this nation, but what we see happening in the physical world is only a reflection of Satan's flood waters rising in the individual.

Noah floated on the surface of the flood waters because the flood waters were not ascended within him. An empty bottle will float on the surface of the sea, but a bottle filled with water will sink to the bottom. The mortal man who restrains the waters within himself will defeat the waters outside of himself, but the mortal man who yields to the passions and emotions of Satan's world shall sink to the bottom of the sea, and be overcome. Satan outside of us, is not our problem. Satan inside of us is our problem. When we are stabilized in Christ Jesus, we can defeat any enemy projected at us from any source. The filled bottles will sink, but the empty bottles shall float.

And are we not the bottles from heaven?

Job 38:37, Who can number the clouds in wisdom? or who can stay the bottles of heaven, (KJV)

<LivingEM> Does anyone remember the spiritual significance of the verb "to number"? What does it mean to count the number of the beast? The esoteric meaning of the verb "to number" is "to gather into the brow energy center." Can anyone tell us the spiritual significance of the clouds? Who are the clouds?

<Overcomer> Witnesses, the sons of God.

<DANIEL> The overcomers.

<LivingEM> The clouds signify the etheric body.

Rev 1:7, Behold, he cometh with clouds; and every eye shall see him, and they also which pierced him: and all kindreds of the earth shall wail because of him. Even so, Amen. (KJV)

<LivingEM> But we are talking about the clouds of wisdom. They are clouds without water,

Jude 1:12, These are spots in your feasts of charity, when they feast with you, feeding themselves without fear: clouds they are without water, carried about of winds; trees whose fruit withereth, without fruit, twice dead, plucked up by the roots; (KJV)

<LivingEM> And there are clouds of wisdom. **The clouds without water are the spiritual body of the etheric plane.** The etheric plane is the spiritual part of the physical world, which means it is earthen. **The clouds of wisdom are the spiritual bodies on the mental plane.** But in any event, clouds can never signify mortal men. Clouds represent the unformed dimensions, and mortal men are permanently formed. Clouds are shapeshifters. Mortal men are permanently formed for their lifetime in this world. Does anyone remember the spiritual significance of the word "eye"?

<JSNGSNG> Singular.

<LivingEM> The Hebrew word translated "eye," signifies that which is seen, and the Hebrew word translated "every" means "whole." And the whole eye shall see him... And the whole spiritual,

visible world shall see him....

The Christ mind is the only true spiritual eye. Does anyone know what the carnal mind is called in relation to the eye? The Christ mind is the eye, and the carnal mind is the eyelid that covers Him. The eye is spirit, the eyelid is flesh. The re-appearing Christ will be seen only in the mental plane of Christ Jesus -- in the Spirit!

Does anyone remember the recent teachings on the Spirit of Elijah appearing in Elohim's energy cloud? This is what Isaiah saw, when he cried out "I am a man of unclean lips" (Is. 6:5). When the personality sees the Spirit of Elijah/Christ in Elohim's energy cloud, she will fall down as if dead. This is just another way of saying that when Christ Jesus in the individual ascends into the brow energy center and joins with the glorified Jesus Christ in the crown energy center, the personality will submit to her true husband, Christ Jesus. Can anyone tell us why the personality has so much trouble submitting to Christ Jesus? Because her spiritual sex drive lusts after whom?

<LAMB> Leviathan.

<LivingEM> Yes, the personality lusts after Satan and Leviathan, and rejects Christ Jesus continually. "Not true!" says the self-righteous man, who is dying because of his own ignorance. Can anyone tell us how we choose Christ Jesus? Do we choose Him by going to church? Do we choose Him by fasting? Do we choose Him by tithing? Do we choose Him by casting out devils?

<DANIEL> We choose Christ Jesus by killing the carnal mind.

<LivingEM> This is true, but it is not the whole answer. We choose Christ Jesus by **PREFERRING THE THOUGHTS OF**

HIS MIND in any given situation. We prefer Christ Jesus by agreeing with His point of view, and we must overcome the carnal mind and kill her in order to do this. But how can we agree with Christ Jesus' point of view if we do not know what His point of view is?

<LAMB> Ask Him to show it to us.

<LivingEM> For this reason – to be able to perceive His point of view, to agree with His opinion -- we study to show ourselves approved and obey all of the works of the law, so that our carnal mind should be weakened, so that we can recognize that it is Christ Jesus instructing us, Lamb. I do not speak about keeping the Law of Ordinances (Eph. 2:15), which the Jews were under, but the Law of Good Behavior towards our fellow man. When we do things that are “right,” even though our feelings and opinions do not line up with our behavior, we are fulfilling the Law of Good Behavior.

Our deliverance is acquired through multiple choice situations, but to choose incorrectly results in death. Every time we think that the thoughts of the carnal mind are the thoughts or opinion of Christ, we die. Yes, we must ask Christ Jesus, but we must continually kill our carnal mind to be able to hear His response. And what must we do to kill our carnal mind? What will cause our carnal mind to die? We must reject her. And how do we reject her?

<JSNGSNG> Confess and repent and choose the thoughts of the mind of Christ.

<LivingEM> Yes, this is correct, we must reject her thoughts, and consider them to be sin. And how are we equipped to recognize Satan's thoughts which appear harmless to the carnal mind? By observing our motives. And how can we recognize Satan's motives, which can be good as well as evil, other than to have them exposed to us by someone who can see more clearly than we?

So who can number the clouds of heaven? And who can stay the bottles of heaven? Who can cause the particles of the Mind of Christ to accumulate in the brow energy center?

<LAMB> The Spirit of Christ

<LivingEM> Close, but not quite. The glorified Jesus Christ draws Christ Jesus in the individual unto Himself in the energy centers above. The Spirit of Christ is in Christ Jesus in the individual. The glorified Jesus Christ is beyond the individual in the eternal plane with Jehovah. So we see that the glorified Jesus Christ can number the clouds of wisdom, or the spiritual body of Christ, or the Mind of Christ.

1 Cor 1:30, But of him are ye in Christ Jesus, who of God is made unto us wisdom, and righteousness, and sanctification, and redemption: (KJV)

<LivingEM> The clouds of wisdom signify the mind of Christ. And who can stay the bottles of heaven? The Hebrew word translated "stay" means "to make to lie down," or "to have intercourse with." Can anyone tell us who the bottles are?

<LAMB> we are, the personality.

<LivingEM> Yes, the personality. So we see that the clouds of wisdom, the mind of the man Christ Jesus, is to have spiritual sexual intercourse with the personalities of heaven. Can anyone tell us who the personalities of heaven are? They are the personalities who prefer the thoughts of the heavenly man, Christ Jesus.

Well, if the heavenly personality prefers the thoughts of Christ Jesus, why should it be a problem for Christ Jesus to have spiritual

sexual intercourse with them? Because the personalities of heaven cannot control their spiritual sex drive, which goes a whoring after Satan and Leviathan day and night.

1 Tim 5:15, For some are already turned aside after satan. (KJV)

<LivingEM> Can anyone tell us the name of the spiritual sex drive of the heavenly personalities? Who is the one who prefers Leviathan?

<LAMB> Fiery serpent?

<LivingEM> Yes, the fiery serpent is our spiritual sex drive, who lusts for Satan and Leviathan continuously.

Song 6:4, Thou art beautiful, O my love, as Tirzah, comely as Jerusalem, terrible as an army with banners. (KJV)

Song 6:13, Return, return, O Shulamite; return, return, that we may look upon thee. What will ye see in the Shulamite? As it were the company of two armies. (KJV)

<LivingEM> There are two armies ascending. and when they have ascended, they will war against one another.

Rev. 12:7, And there was war in heaven: Michael and his angels fought against the dragon; and the dragon fought and his angels, (KJV)

<LivingEM> I pray that every personality who truly desires Christ Jesus, should find the strength and wisdom to disconnect their fiery serpent from Leviathan, and cast her down into the second

energy center, and that they should be fished out of Satan's sea by the overcoming sons of God. I pray that they might experience true life and be liberated from this present world, which is desirable only to the carnal mind which knows no better, but lies in ignorance and wickedness.

May the true light shine on all of the Lord Jesus' people as the hour of the final conflict draws near. May the blind receive their sight, and the deaf hear the voice of the Son of God.

Jn. 5:25, Verily, verily, I say unto you, The hour is coming, and now is, when the dead shall hear the voice of the Son of God: and they that hear shall live. (KJV)

<LivingEM> May we all live again, that the Lord Jesus should be glorified in us. Amen.

God bless you all.

Good night.
